

RECESS

LB 882, 995

April 1, 1980

SPEAKER MARVEL PRESIDING

SPEAKER MARVEL: Senator DeCamp, do you want to record your present and then we have a quorum. Record.

CLERK: Quorum present, Mr. President.

SPEAKER MARVEL: Do you have anything to read into the record?

CLERK: Mr. President, Senator Warner would like to print amendments to 882. (See page 1629 of the Legislative Journal.)

I have a communication from Brent Stevenson, Director of Administrative Services. That will be inserted in the Legislative Journal. (See page 1629 of the Journal.)

SPEAKER MARVEL: Is that it? Okay, we are ready to start on item #6. We have a full day and a half to try to complete by six...seven o'clock tonight. And the first item...yes, oratory costs time. The first bill....well, then if you have a party then maybe this is a good time to put in some extra acceleration of time this afternoon. LB 499. We are ready to talk about motions to return. Oh, budget bills, okay. Do we need Senator Warner? Okay, 995.

CLERK: Mr. President, I have three motions to return on 995. I guess the first we could deal with is the Appropriations Committee moves to return the bill for a specific amendment, Mr. President.

SPEAKER MARVEL: Senator Warner.

SENATOR WARNER: Mr. President and members of the Legislature, there's three amendments recommended by the committee to LB 995 which is a deficiency bill. The first amendment is merely a technical amendment in that the original bill didn't reflect the passage of 101A and 412A of 1979 session and it should have been included where it is in reference to the salary policy. The other two amendments both add money. I was in receipt of a letter yesterday from the Nebraska Library Commission indicating that the lease which they operate under, the rental quarters that they are housed in, that lease has an escalator clause that is to reflect utility and property tax adjustments from the time the original lease was signed and they are prorated a share of the building on the property tax increase amount at \$16,347. The utility cost difference between the....over the previous year is \$5,557 together with the monthly increase that would
